The Ukrainian Catholic Education Foundation teaches Americans about the academic and financial needs of Ukrainian Catholic educational institutions in Ukraine. In a sincere commitment to personal involvement and high standards, the UCEF works with these institutions hands-on to meet present needs and develop resources for the future. Through grant and endowment programs, distribution of books and teaching materials, and collaborative volunteer projects emphasizing foreign exchange of students and faculty, we foster the communion of Ukrainian Americans with the Ukrainian nation and of Roman Catholics in the West with the largest Eastern Catholic Church.

Dear Friends in Christ:

Even as we wrestle with the highly unusual and unexpected turn of events of 2020, the Ukrainian Catholic University and the Ukrainian Catholic Education Foundation can look back on 2019 with deep gratitude to all of our donors that enabled UCU to withstand the many unique and unforeseen challenges that 2020 would bring. But as you will see in the report that follows, even a more typical year like 2019 for UCU proved to be unusual, inspiring and extraordinary.

Seven UCU graduates were elected to Ukraine’s Parliament in 2019. For the first time, an UCU alumnus joined the university’s Senate (governing board) and was joined by UCEF’s Chairman of the Board. Our students provided vital services to the needy – war refugees, orphans and veterans, and construction began on Collegium II, a second residence for students and faculty, to meet UCU’s growing needs.

Among the most momentous developments, in June, the President and cofounder of UCU, the Very Reverend Borys Gudziak was named by His Holiness Pope Francis as the Metropolitan Archbishop of the Ukrainian Catholic Church in Philadelphia. Returning to his American roots, Archbishop Borys launched a weeklong series of inaugural events under the title “Heart to Heart” that brought together more than a thousand Catholic clergy and faithful and charted a dynamic new course for our Church in North America. Archbishop Borys was also awarded the prestigious “Notre Dame Award” and appeared on a live broadcast on EWTN - the worldwide Catholic television network.

To support the growth of UCU, our Foundation reached out to donors and supporters in dozens of communities, with major fundraising events in New York, Chicago, and San Francisco. We worked to raise awareness of the ongoing Russian aggression in Eastern Ukraine, and to honor the resiliency and heroic witness of Ukrainian Catholics in their defiance of Soviet and Nazi tyranny during the last century.

We want to thank all of our donors that have responded so generously to the “Lift up your hearts!” campaign to beautify the walls and cupola of our University church with stunning mosaics and iconography. The final results of this ongoing campaign will be published in next year’s Annual Report.

As we launch our new Legacy Society, we also thank our growing list of donors who have remembered UCEF in their wills and estate plans. This report includes a list of those who have joined this society as of August 31, 2020. But we will be glad to welcome new members as this year continues.

May God bless you for all you have done to strengthen and reinvigorate this historic mission.

Respectfully yours,

Alexander Kuzma
Chief Development Officer
Mykhaylo Salo, currently COO at Romexsoft, became the first graduate of the Ukrainian Catholic University to join its Senate (governing board). And UCEF President Taras Szmagala, Jr. (at right in photo on right) also joined.

Construction began on Collegium II, the second residential college for students and staff of the university.

Seven graduates of the university were elected to Ukraine’s Parliament.
Thanks to your donations, UCU students have the opportunity to minister to those in need, including orphans and the disabled. And a substantial donation from an anonymous UCEF donor helps numerous needy children throughout Ukraine.
The university choir visited the east coast in the summer. They brought their heavenly tones to the ceremony of the installation of Archbishop Borys Gudziak as Ukrainian Catholic Metropolitan of the Philadelphia Eparchy. They also sang at venues like St. John the Baptist Church in Whippany, New Jersey.
The viewers of the international Catholic television station EWTN learned about the situation of the Ukrainian Catholic Church when Archbishop Gudziak was a guest.

Events in San Francisco, New York, and Chicago brought together committed donors and those who want to know more about UCU.
Donor Generosity

We thank all our donors for helping educate leaders for Church and Society, in Ukraine and beyond. In 2019, some 1,600 people contributed to programs benefiting seminarians, students, and the faithful throughout Ukraine. With apologies in advance if anyone was inadvertently omitted from the list below, please notify us so that we may update our records. Please note: Those who donated to the “Lift up your hearts!” campaign will be listed in the 2020 Annual Report.
