Mission of the UCEF in the US

The Ukrainian Catholic Education Foundation (UCEF) was founded in 1997 to support and fund the growth and operations of the Ukrainian Catholic University (UCU) in Lviv, Ukraine. As the only Catholic university in the vast territory of the former Soviet Union, UCU is at the forefront of building a civil society in Ukraine, educating its students to be ethical and moral leaders of a new Ukraine. Through its fundraising activities in the United States, UCEF assists UCU in meeting its educational and financial challenges and supports its successes as the premier Catholic educational institution in Ukraine.

Dear Friends in Christ:

Resiliency; adaptability; foresight; discipline...without these qualities, many institutions of higher learning struggled during the year 2020. Fortunately, Ukrainian Catholic University and its leadership team have been able to nurture these qualities in spades. With God’s Grace, their fortitude and resiliency enabled UCU not only to survive, but to flourish and advance the University’s mission, even at the height of the worst global pandemic in over 100 years. UCU and our U.S.-based Foundation could not have weathered the challenges of this past year without the support of countless generous donors and volunteers.

Within days of the COVID crisis striking Ukraine, UCU was able to adapt to on-line, distance learning. The University was able to develop a variety of hybrid models that allowed the University to continue functioning. Professors and students were already well-versed in the intricacies of Zoom conferences, remote access and chat rooms. Thanks to the leadership of UCU’s resourceful Rector, Father Bohdan Prach, the UCU community was able to gain access to the Pfizer vaccine at an early stage and the vast majority of our UCU community was vaccinated, allowing for a rapid return to in-person classes. Unfortunately, one of UCU’s most beloved and enterprising faculty members – historian Ihor Skoczylas succumbed to COVID at the young age of 53. Many of our students and staff suffered the tragic loss of friends, parents and relatives, and many themselves had to endure days and weeks of severe illness before recovering.

For many of us at the Foundation, 2020 was a year when we had to scale back our in-person visits with donors, limiting our interactions to phone calls, Zooms and emails. So, all the more reason why we are so grateful that our donors did not wane in their commitment. In fact, 2020 was our most successful year ever as far as the revenues generated and expenses kept to a minimum. As a result, UCEF was able to increase the size of its endowments and its distributions to UCU. UCU has now grown dramatically, with a vibrant new School of Law, and an influx of many more students from southern, central and eastern Ukraine. And UCU continues to draw students with the highest average standardized test scores in the country. In 2020, our donors were able to meet more of these outstanding young people in virtual gatherings. Many of our donors were inspired to dramatically increase the size of their annual gifts and planned gifts after meeting these brilliant, highly motivated young people face-to-face.

We are delighted to share some more exciting news. **We have a new name! The Ukrainian Catholic Education Foundation is now Ukrainian Catholic University Foundation.** While we still hold true to our mission, our new name better reflects our connection to, and support of, Ukrainian Catholic University.

We will always be grateful for your generosity of spirit. We hope that you will find new reasons for hope and inspiration in the pages that follow. May God bless you for all you have done to fulfill the dream of UCU, even in the toughest of times.

Sincerely,

Alexander Kuzma
Chief Development Officer
Students in Focus

Though UCU students were glad to be able to meet outside as the weather and quarantine restrictions allowed in September 2020, the earlier part of the year was spent online. Fortunately, UCU, with its well-developed IT Department, was prepared to meet the challenge.

On June 24, many UCEF donors became acquainted with some of UCU’s most impressive students during an Online Forum with Student Leaders. A diverse group of young people shared their academic pursuits as well as their activities in student government, volunteer service work, debate club, and other passions.

Among various service projects, UCU students continue to bring Christmas cheer to soldiers and people living near the frontlines in eastern Ukraine. They devote their holiday time to performing a travelling vertep (Christmas play) on military bases and other locations.

Thanks to donors in the U.S. and Ukraine, including Archbishop Borys Gudziak, who collected money on the occasion of his 60th birthday, a scholarship in memory of slain UCU Professor Bohdan Solchanyk was fully endowed in 2020. Fr. Vasyl Harandzha (pictured), who is working on a doctorate in church history, received the scholarship that year.
2020 was an important year for birthdays at the Ukrainian Catholic University. UCU Rector Fr. Bohdan Prach, Prof. Yaroslav Hrytsak and his wife, Prof. Olena Dzhedzhora, all celebrated 60 years, as did UCU President Archbishop Borys Gudziak. We want to thank our donors for their gifts in honor of all these UCU leaders.

Along with joys, the year brought sorrow. Through complications of the COVID-19 Coronavirus, before his time, Prof. Ihor Skochylas, Doctor of History and Head of the History Department of the UCU Humanities Faculty, went to His Lord. Condolences to his wife, Iryna, and daughter, Solomiya.

Ivan Almes, PhD, UCU class of 2018, has been named the Director of UCU’s Ihor Skochylas Center for Religious Culture. Almes, himself an Orthodox Christian, is proud to have been a student of Prof. Skochylas, who was the advisor for his doctoral thesis. Almes’ interests are the history of reading and monasticism and the religious history of early modern Ukraine.
Dr. Michael and Mrs. Roxolana Yarymovych made a number of generous donations in 2020, with a lecture hall named in their honor at the Sheptytsky Center. Dr. Yarymovych was a pioneering engineer and project manager with NASA and Rockwell International who worked on the Space Shuttle, the Apollo Program and the development of GPS technology.

Dr. Wilfried and Mrs. Maria Voge visited UCU in January 2020 for the dedication of rooms in memory of Mrs. Voge’s relatives, Prof. Antin Kniazynsky and Orest Turczyn. Prof. Kniazinsky survived a Stalinist prison camp and was active in promoting Ukraine’s civic culture.

UCEF held its first online fundraising events in fall 2020. Though there were separate events for the East Coast, Midwest, and West Coast, some donors participated in more than one, and one donor participated in all three. U.S. Ambassador William Taylor (pictured) was the keynote speaker for the Midwest event.

UCU Rector Fr. Bohdan Prach in June blessed a plaque in memory of UCEF donor Luba Bac and her parents. Two building wings and a student lounge in the Patriarch Josyf Slipij Collegium are now named in honor of the Bac family.
We thank all our donors for helping educate leaders for Church and Society, in Ukraine and beyond. In 2020, some 1,500 people contributed to programs benefiting seminarians, students, and the faithful throughout Ukraine. With apologies in advance if anyone was inadvertently omitted from the list below, please notify us so that we may update our records.
